**I'M ON A MISSION TO BEAT THE WORLD TOUGHEST DISEASES – ONE LAP AT A TIME.**

No one wants to hear those terrible words... It's cancer... or it's heart disease... or diabetes or worst still – we don't know what it is.

No one should have to suffer or worry about their loved ones' suffering.

That's why I am taking on the Perkins Plunge to raise vital funds for WA medical research at the Harry Perkins Institute of Medical Research.

I'm swimming for my life and the lives of those I love because I know that there are no advances in medicine without medical research and there's no medical research without people like you and me taking action.

I'm committing to the Perkins Plunge and swimming through the night in the middle of winter to help WA's best medical researchers beat the world's toughest diseases - life-threatening diseases that have taken so much from us.

Whether it is a loved one, family member, friend or much closer to home, when you're faced with a serious disease, it infiltrates all parts of your life. And that's not fair.

The funds I raise through the Plunge will go to the brilliant minds at the Perkins who are committed to finding breakthroughs that will lead to improved health outcomes for those affected by the hardest-to-treat diseases.

Whether you join me in the pool (I'd love the company) or contribute to my fundraising page, your generous support matters now but more importantly to our future health.

Together, we're helping WA's best researchers beat the world's toughest diseases.

### 1 Find a fundraiser

On the Homepage, click on the **“DONATE”** button and enter the team or individual you are supporting in the **“SEARCH FOR A FUNDRAISER”** field.

### 2 Enter your donation

On the fundraiser's page, enter the donation value in the field and click on **“DONATE”**.

### 4 ADMIN FEE

You have the option to **deselect or leave the fee tile selected**. This administration fee will be added to your original donation amount. For example, a \$500 donation would become \$520.

### 4 SELECT EFT PAYMENT

On the third screen, select **EFT** and read the important message. The EFT selection allows your generous donation to be distributed amongst the team.

The screenshot shows a mobile app interface for 'Please Help Me Reach My Goal'. At the top, a blue header displays 'RAISED \$1,009' and 'MY GOAL \$1,500' with a progress bar. Below this is a navigation bar with icons for currency, user, and payment methods. The main form contains fields for 'Card number' (1234 1234 1234 1234), 'Expiration' (MM / YY), 'CVC' (CVC), and 'Country' (Australia). A section titled 'Cover platform costs' shows a dropdown menu set to '\$20.00'. Below this, the 'Total amount' is calculated as '\$520'. A large blue 'DONATE NOW' button is at the bottom, with a 'Powered by stripe' logo underneath. A security notice at the very bottom states 'All payments are secure & encrypted'.

### 5 FINALISE DONATION

To finalise the EFT process, please confirm the correct donation value and click **"DONATE NOW"**.

### 6 EMAIL REMITTANCE TO PERKINS

You will receive an email shortly confirming your EFT donation and receive a unique **donor reference number #DON00.....** This reference number will need to be quoted when making EFT payment. Once payment has been made, please send remittance to both [steve@perkins.org.au](mailto:steve@perkins.org.au) and [april.goss@perkins.org.au](mailto:april.goss@perkins.org.au).

After receiving the funds, the Perkins team will mark the donation as paid. Please note that it may take 3-5 days for the payment to transfer to the Perkins bank account. Don't forget to leave a message of support for the organisation, team, or individual you are supporting. **Thank you for your support!**
